To Whom It May Concern,

I would like to provide this letter of recommendation for Gomez Floor Covering.

Gomez Floor Covering has performed several our floor covering replacement projects for the City of Coppell. Most recently, they re-carpeted our 31,000 square foot Town Center facility. We were able to keep this facility operational while they worked. They worked very well with our building occupants to maintain operations, and did an excellent job.

I highly recommend them if you want a professional job performed in your buildings.

Sincerely,

A handwritten signature in cursive script that reads "Sheri Moino".
