

FREESTANDING: Intrinsic**Affordably Upscale**

An affordable, well-dressed aesthetic for the entire office environment- lobby to executive suite, conferencing to private office. Surface materials, featuring embossed wood grain laminates, reflect the rich look of wood. This line looks expensive but it isn't!

Premium Quality

Long-lasting, durable construction; full-extension drawers with premium ball-bearing slides.

Adaptable

Modular product line provides the ability to configure a large expanse of units from individual components. All are fully compatible with other TrendWay products including Choices systems and TrendWall.
